

Summer Reading Challenge

What's happening?

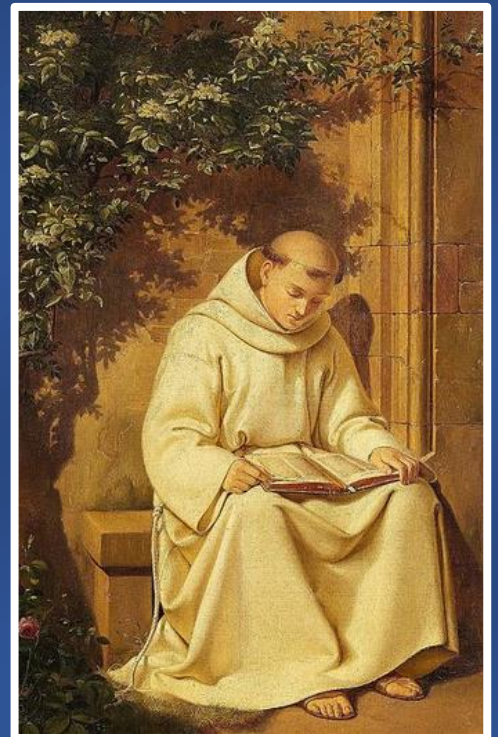

Can you read 8 books in 8 weeks? We are running a challenge to encourage you to read good, orthodox Catholic books or classic works of literature (e.g. the Lord of the Rings) this summer, and there are prizes for those who complete the challenge. All regular parishioners can participate, but young people, who will be on holiday, are especially encouraged to participate.

When?

December 5, 2021 – January 31, 2022

Why?

Reading is in decline, with idle use of the internet, YouTube, Netflix, TV and social media often consuming many hours of our time each day. As Catholics, the strength of our personal faith rests in part on our reading many good books. So, this summer, get off your phone, get off the internet, and pick up a book !

Prizes

Complete the 8-book challenge and receive a prize. For serious book worms, there are 2 bonus prizes for whoever reads the most books beyond the 8-book challenge.
